

## Horizon Dental Search Tool

### Need Help Finding a Dentist?

Use the *Online Doctor & Hospital Finder* to search for dentists who participate with your plan. Here's how it works:

- Visit [HorizonBlue.com/doctorfinder](http://HorizonBlue.com/doctorfinder).
- Select *Dentists* or *Dentists Outside of NJ* in *What Are You Looking For?*
- Choose your plan so the correct list of dentists appears. (i.e Dental Option, Dental Choice, Total Care Plan)
- Add your ZIP code and dental specialty, if needed.
- Select *Search*.

The screenshot shows the Horizon Doctor & Hospital Finder search tool interface. At the top, there are logos for Horizon and Blue Cross/Blue Shield, along with the text "Welcome to Doctor & Hospital Finder". The main heading is "We've Got You Covered." Below this, there are several search filters: "What are you looking for?" with a dropdown menu set to "Dentists"; "Choose a Plan to Start" with a dropdown menu set to "You MUST Select a Plan"; "Zip Code | City, State" with an input field; "Specialty" with a dropdown menu set to "All Dentists"; and "Dentist's Last Name" with an input field. A "Search" button is located to the right of the input fields. At the bottom, there are three sections: "Quick Links" with links to National Doctor & Hospital Finder, Marketplace Criteria - Doctors, Marketplace Criteria - Hospitals, and Physician Quality Measurement; "Let Us Know What You Think" with links to Send us Questions or Comments and Take our Survey; and "Member Services" with links to Member Online Service, Mobile Member Online Service, and Vision Services.

If you have questions, please call **1-800-4DENTAL (433-6825)**.
